Subject: Simpsons Beach House Project

I would like to take this time to commend Litecrete (NZ) Ltd on their lightweight precast panels and service provided to us on this project.

The staff of Brendo Builders have completed in excess of twenty precast concrete homes and we can say without question that Litecrete have surpassed all other suppliers in respect to their:

- Service,
- Correspondence and shop detailing,
- Quality and accuracy of product,
- Product delivery.

We have used numerous other suppliers of precast panel and will now only choose Litecrete for the manufacture and supply of any precast products.

Yours sincerely,

R. Brent Hyde
